I love Mary Higgins Clark. I've been a fan since reading "Where Are The Children". Great suspense!

Good listening for long drives.

The cd's were in great shape. I love Mary Higgins Clark books and these were on the same track. Wonderful stories. I am not able to read the books any longer due to vision problems, so the cd's are a great way for me to still enjoy her books.

I absolutely love the Mary Higgins Clark classic Clark collection. She is by far my favorite mystery and suspense author. I listen to these books at work. Each story is intriguing and the ladies that read the stories keep you on the edge of your seat. Never a dull moment. Always interesting. LOVE THEM!!!!!!!!!!

The MHC Collection consist of 4 short mystery thriller stories, very well written with extraordinary attention to details. I listened to these audiobooks more than a month ago, and they are still lingering in my memory, for some reason they stay with you. I hope you enjoy this audiobooks as much as I did, they made me a definitely Mary Higgins Clark fan!

Love Mary Higgins Clark. I love all her books, you never know and more often than not, can not guess the outcome.

I purchased this as a gift for a family member in the hospital. She's a fan of Mary Higgins Clark but the first book was disturbing and not the right gift. I'm hoping she didn't get discouraged and not listen to the other books. Probably my last purchase of a CD when I'm unfamiliar with the author's works.

Great CD and 4 different stories. Love Clark.
