ISBN-13: 978-0806986364

Product Dimensions: 0.5 x 5.5 x 8.5 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 3.8 out of 5 stars 3 customer reviews

Best Sellers Rank: #7,780,455 in Books (See Top 100 in Books) #68 in [Books > Humor & Entertainment > Puzzles & Games > Card Games > Solitaire](#) #2894 in [Books > Humor & Entertainment > Puzzles & Games > Board Games](#)

Customer Reviews

fun

I collect books on solitaire. I would not recommend this to anyone but a collector -- there are much better books in print, such as Morehead and Mott-Smith's "The Complete Book of Solitaire and Patience Games" or Parlett's "Teach Yourself Card Games for One". Barry claims to have selected the best games in her book, but it is still littered with junk like Auld Lang Syne (a virtually unwinnable game with no skill). The descriptions are often incomplete and occasionally wrong (her description of Pyramid, allowing cards to be used a second time after being discarded, is nonsensical). She describes Storehouse as a minor variant of Canfield; it's actually a forerunner where cards are packed in suit. She rates games by amount of space used (an interesting feature) and level (it's not clear if this is supposed to be win rate, in which case many of the ratings are wrong, or something else). Myron Miller's illustrations are nice, but the book has little else to recommend it, either in selection of games, or clarity and accuracy.

This book makes no attempt to be comprehensive in its listing of solitaire games, but the games it does describe are described in large print, with diagrams, and examples for the games that are not so obvious. This was useful to me as some of the more comprehensive books (and web-sites) keep

the directions minimal. Certainly a good buy at this price.UPDATE: This book is now published under the title GREAT SOLITAIRE GAMES.
