Prepper's Garden: 20 Proven Lessons How To Earn Your Living And Build Soil Fertility In Hard Times!: (Gardening Books, Better Homes Gardens)

Synopsis

Getting Your FREE BonusDownload this book, read it to the end and see "BONUS: Your FREE Gift" chapter after the conclusion.Prepper's Garden: (FREE Bonus Included)20 Proven Tips to Fish As An Expert In Sea Water And In Fresh WaterIt will often seem like hard times are just round the corner. You may constantly worry about the security of your job or your ability to get another if you did lose your job. This worrying can make you ill as well as anxious and strained.Fortunately it is possible to survive without your well paid job. This book focuses on the art of gardening and how growing your own produce can provide food and security for you and your family. It is important to note that this is not a get rich quick option. Many people who earn a living from their garden generate enough produce to eat healthily and just enough funds to allow them to buy the essential items in life.However, there is a raft of other benefits associated with earning your living from your garden. These include the ability to spend time with your loved ones and a more flexible schedule. It is also a viable option to almost anyone even during the toughest times; all you need is a garden!It is advisable to start your gardening lifestyle now; this would mean that if the worst was to happen you will already have crops in production. If you wait until something happens before you start developing your garden you will have an exceptionally steep learning curve and may have a lengthy delay before you can produce anything edible or saleable.This book covers the following key points: Understanding why it is so important to be able to generate an income from your garden. Looking at seven methods to improve soil fertility. This will ensure the items you plant grow well! Seven ways of earning an income from your garden; either via the produce you are growing or an alternative option. Six tips to ensure you are ready to start your new career in home gardening; regardless of when you choose to start it.
