The Great Poets: Samuel Taylor Coleridge

Synopsis

Hollywood actor Michael Sheen reads one of the most famous poems in the English language, The Rime of the Ancient Mariner, in this collection, which is part of the Naxos AudioBooks The Great Poets series. Radical and daring, Coleridge worked with Wordsworth to transform poetry and bring it closer to the people. Original, atmospheric and pensive, the power of Coleridge's plain-spoken poetry inspired the tradition of Romantic poetry that sprung up in his wake. This popular anthology also contains Coleridge's other major narrative poem Christabel, as well as Kubla Khan, Love, Frost at Midnight and The Lime-Tree Bower My Prison.

Customer Reviews

These were really great readings of Coleridge's poems. I especially liked the Ancient Mariner. Excellent actors did the readings although some of them have a very low sounding voice while made it hard to understand because of my hearing loss, which is not the publisher's fault. Listening to professional readers is the very best way to develop poetry appreciation.
