Keith Neely has been an illustrator most of his life. He studied art at Brevard, Chicago Art Institute, and Art Center College of Design. Accepting Christ as a young Air Force guard in California in 1968, he decided to dedicate his life to the Lord. Keith's illustration career has included working for many organizations such as Disney, Campus Crusade for Christ, Campus Life, Children's Digest, Augsburg, Child Evangelism Fellowship, Gospel Light, Logos, McGraw Hill, Moody, Standard, Southern Baptist Convention, Methodist Publishing, Thomas Nelson, Warner, Zondervan, and many more. He and his wife, Roberta, have five children and nine grandchildren.

Complete book of Exodus, not a retelling by a modern author. Comic frame pictures that are realistic, not tailored to very little kids, but it still gives them something to look at. The International Children's Bible Translation is easy to read but does change some things that it shouldn't. In the New Testament it replaces BLESSED for HAPPY, as in "Happy are those who mourn..." instead of "Blessed are those who mourn.." I don't catch all incidences but when I do I tell them the adult word. I don't know of any other Bible that is fully illustrated for kids and includes the full text of the

Bible. Kid story "bibles" leave out most things and only include things that the authors think kids can handle. That makes this a rare and important book.

My kids and I read a chapter from this set every night. They are only 3 and 4 years old and they LOVE it! We've finished Genesis, Exodus and are now enjoying the New Testament book.

Very Good

great book.
