## Customer Reviews

Love people crosswords so addicting and I actually know the answers!

I've ordered and done the People Crossword Puzzles and loved most of them..This one is awful and I returned it..Whoever did the 'clues' on this book, made them so vague that it took all the fun out of answering the questions - and if you are not up on the latest TV shows or actors.. forget it !! you will NOT enjoy this edition.. Get the 2007 edition instead.. it's fun and you can understand the clues...

Great price ~ Fun puzzles ~ Pure enjoyment

Not very recent but kept me entertained

This is as described

A fun product for an avid People Magazine reader!

I always enjoy my crosswords, good for the brain :)

Bought as a gift. Lots of fun. If you can answer the puzzle question you know you are addicted to Hollywood.
