## Customer Reviews

It was just what I needed: a small, practical dictionary with some cultural notes for traveling in South America. The pronunciation guide is better than most, and it is easy to navigate. It takes up little space and is light. Glad I got it!

Really useful product, was extremely helpful for my trip to Cuba and I will hang onto it for future trips to Latin America! I loved the dictionary section, especially that it has subsections just for food words, English-to-Spanish, and Spanish-to-English. As always, Lonely Planet does an excellent job highlighting the key phrases you'll need in just about any situation. It's also the perfect size: easy to fit into a back pocket, a clutch, a purse, a backpack, etc. -- I was really glad I bought this for my trip!

This book helped so much in Costa Rica! I especially appreciated the translations for demanding safe sex. I went to Costa Rica to study abroad and being college students a lot of my classmates were being flirtatious and a bit promiscuous. I made sure to share the safe sex phrases so my friends would be safe and smart while having fun!

Actually a very handy phrasebook, although the dictionary let me down a few times. Was perfect for a week in Mexico, and am looking forward to using it in other Latin American countries. Very well color-coded and organized. Takes up next to no room and easy to carry in a small purse on a daily basis. I don't like using my phone for translation services, as it takes me out of the present moment. Will buy a larger dictionary to complement it next time. My Spanish level is about 1/4 fluent, so adjust your needs accordingly.

Very well written. Concise, clear to the point, and very informative. It was more than I expected to be honest, and I will keep using this as I learn.

Will be handy for my family member as they travel. We like lonely planet books and knew this one would be worth bringing along to be able to communicate.

Great little phrasebook. A little small but that makes it easier to carry. Very well organized and covers a most topics.

I've been collecting these things for every country I go to. These are great!
