Lovely pieces, lovely recording. But if you are doing Suzuki you don't need this review anyway!

Very useful flute playing. Difficult to catch it and doing good

Very good for the learning flute player

Pretty nice book. My only complaint is that the CD is poorly done. You can actually hear a baby crying part way through! LOVE the Suzuki Method though. It's the best way to go with music!

Exactly what I was looking for. Very easy to follow songs are good first songs to learn to play on flute

good

This book is most helpful in getting me back in touch with my 30+ year old flute. It has been a standard for me

Great service, it took only a couple of days to get it. Good packaging, and the product was without any damage.
