Customer Reviews

Tough book. It's hard to learn any language when the letters are not recognized. At least it did have a pronunciation key for most words.

Very comprehensive for travelers! Everything is divided into color coded categories. Front flap has every-day phrases for a quick go to. Small pocket sized for light carrying. At times I found myself reading it for fun!

Very helpful during the trip.

Easy reference for key phrases. Was happy with purchase

Great book jam packed with information although my son, who will be traveling to Thailand later this year, still feels overwhelmed with correct pronunciation.

Good book and compact size. However, it needs a larger dictionary and there was no section on names of food dishes.

Perfect for what I bought it for, very helpful.

Good to review before your big trip!
