Anayet Chowdhury CEO & Co-Founder of Argo Brothers is an author, entrepreneurial thinker, and educator who has helped thousands of students gain acceptance into top colleges and high schools. Anayet discovered his passion for teaching in high school, where in his free time, he conducted cancer research at Memorial Sloan-Kettering Cancer Center. His cancer project was awarded multiple gold-medal awards and he had the privilege to present his research to President

Obama. Anayet is also a Founding Board Member of Teptu, a non-profit organization aimed at finding the most innovative students in the realms of S.T.E.M research and sustainable entrepreneurship. Anayet sits on the board and serves as an investment advisor to several startup companies that are in the e-learning and tech space. In his spare time, he enjoys learning to play the guitar and piano. Vladislav Suleyman CTO & Co-Founder of Argo Brothers is an author and serial entrepreneur who has developed several educational software solutions to help students around the world. Vladislav started his first entrepreneurship venture in Central Asia where he was very successful in introducing ECO Cleaning Systems to private hospitals and organizations. Today he is an educator and motivational speaker, dedicated to making a difference for students who are struggling and cannot afford a quality education. Vladislav is an avid yoga enthusiast and regularly practices the art of meditation. Eduard Suleyman CFO of Argo Brothers and Founder of Einstein Daycare holds an MBA from the University of Westminster. Eduard has been an educator for over a decade teaching students about corporate finance, stock market analysis and business expansion. He previously served as the Head of Technology at the Research Center of Corporate Governance and Securities Market. Aside from actively being involved in the production of K-12 and higher education test prep books, Eduard believes education starts from the very beginning and Eduard has created a custom learning program at Einstein Daycare, a licensed pre-school located in New York City, where kids are intellectually stimulated using cutting-edge learning tools.

I would definitely recommend this book (Argo Brothers Math Workbook, Grade 7: Common Core Math Free Response) for regular 7 Grade math practice. As expected, topics are well organized, and the problems are fairly close to the ones included in Common Core tests. Should definitely improve math skills, if used on regular basis.

worked well

Very helpful book. Great practice help

great book

My son is enjoying it! Challenging but very motivating!

Excellent and well-written book ! My son enjoyed using for it state test preparation. I also highly

recommend this book for daily practice.

Awesome workbook for 7th grade Math practice! My son and I love this book just like part 1: both has nice design, well organized and has affordable price. I highly recommend this book .

Great supplement for kids to master school curriculum.
