Customer Reviews

Our granddaughter's favorite book that we read together when she stays with us. Perfect for 4 year olds to learn a new language.

Smiling, My son has started with his numbers and I am trying to align the different languages as he learns the same subject. Again, I enjoy the works of this author and I shall continue to make several updates. Also, the arrival of the shipment is great!

I love this book! It's perfect to teach mio bambino the language of his mother's Italian family. It's in

perfect condition, too!

There are a lot of mistakes. But it is nice to have both languages

Illustrations are cute. The storyline is fun and easy to engage my toddler in a second language.
