The Proverbs Explained: A Blueprint For Christian Living

Synopsis

Acquiring wisdom is both a human task and a divine gift. Wisdom aims at the formation of character, and there is no better guide than the Book of Proverbs. The Proverbs teach us how to be wise and self-controlled, and how to do what is honest, right and fair. In these pages, Fr. Mitch Pacwa, host of EWTN Live, will help you make the most of the treasure-trove of practical advice found in the Book of Proverbs. He explains in a succinct and readable way how God's blessing is related to our behavior, how you can be like God, and how to live in accord with His law. Because each Proverb is true in a certain sense and applicable in a certain way, Fr. Pacwa helps you relate each Proverb to your particular state in life as well as to your own spiritual journey. The message of Proverbs is simple, yet difficult to live out. Read these pages, and you'll come to understand the practical side of righteousness, and you'll begin to grow in wisdom through patience, prayer, and God's grace.

"Fr. Mitch Pacwa illuminates and clarifies countless passages from the Book of Proverbs, providing readers with a rich distillation of what this important book of the Bible offers for their daily life as well as their spiritual life." Charles J. Chaput, O.F.M. Cap. Archbishop of Philadelphia "It is one thing to proclaim wisdom, another to explain it, and still another to offer a practical way to engage it. In this eminently beneficial book, Father Mitch Pacwa, Scripture scholar extraordinaire, does all three. He presents the Book of Proverbs to readers in a way that preserves its integrity and explores its mysteries to reveal a path to live its truths in the dimension of our everyday lives. I was inspired,

instructed, and encouraged in my walk of faith. You will be, too!" Johnnette S. Benkovic Women of Grace Â® EWTN Television and Radio Host "For centuries, Christians regarded the book of Proverbs as a kind of "beginner's guide" to life. It was extraordinarily popular with ancient Christians, and St. Jerome even listed it as one of the first books of the Bible that you should read. In The Proverbs Explained, Fr. Mitch Pacwa does a fantastic job of organizing and explaining the inspired words of Sacred Scripture. This book should be on the shelf of anyone wanting solid biblical guidance on family life, money-matters, business ethics, chastity, growth in virtue, and a host of other topics relevant to everyday life." What can I say? Fr. Pacwa is such an outstanding scholar and if you have any interest in the Proverbs (which every Christian should) this is a wonderful, easily read book. A very good reference book to keep handy.

Always good information from Fr. Pacwa. Well done.

Very good!

Easy to read and concise. Another good one by Father Mitch

Everything Fr. Pacwa writes is worthwhile reading and this book is definitely a keeper.

Good for anyone who doesn't know the first thing about Proverbs, but I'm disappointed in the brevity of the book. I think Fr. Pacwa is a good author, but there's a LOT of ground to be covered in

Proverbs, 31 chapters, 915 proverbs total.

Father Mitch provides immense insight to the Book of Proverbs and makes it realistic to ones current day to day living. Looking forward to his next release "Salvation".

liked a lot by my husband
