Flutters Cross Stitch Patterns: Beautiful Butterfly Designs

Synopsis

For this cross stitch design collection, we've included our four popular "Flutters". This 72 page book includes all four of the butterflies shown on the front cover, charted in detail with many colors for exquisite detail. All stitches in each of the patterns contain only full cross stitches. There are no blended stitches, fractional stitches or backstitching. The detail is created by utilizing lots of DMC colors and the end result is very well worth it. Each pattern is accompanied by it's own "Shopping List" which lists all floss colors and an approximation of how many skeins you will need when multiples are required. A project planner page is included at the back of the book as well. The project planner helps you to decide what size fabric you need in addition to other preparations for your project.

Customer Reviews

Patterns make up into 8 x10 pictures. This is too large for what I had in mind. Future descriptions of patterns should carry finished dimensions in the future.
