Bible Study For Women: Guide And Workbook

Synopsis

God has much to say to women in the words of the Bible. He outlines our roles in the home as daughters, wives, and mothers, as well as our roles as women in the church. The Bible is also filled with the stories of women whose lives and experiences are valuable lessons to us in how and why we should live faithfully and obediently. There are even a few examples of how not to live and the consequences we face for our disobedience. Bible Study for Women not only reveals God's intentions for women, but guides you through the process of taking a closer look at your own life; deciding how you can make God's purpose for women more personal and relevant to your own life. Whether you're a man or a woman, the ultimate goal of our lives is to live in such a way that everything we say and do bring glory to God. Bible Study for Women will help you do just that.
