Customer Reviews

Does it's job.

I received this book in the mail completely bent up and worn. I opened the front cover to find sticky with food wrappers stuck to the pages. I am not happy with this purchase. Especially when I need this book to complete a college class.

The quality of this book is horrible. The book is in very bad condition, old, and dry-rotted. I wasn't pleased with the overall presentation of this book!

I just recieved this book and half of the book is missing. The first page is page 281!

Book was falling apart. Pages were coming out.

The book was in pretty bad condition

Book was in great quality!

Came as described.
