Disney's "The Lion King, an exciting tale of a young cub who earns his place in the Circle of Life, is retold in the classic Little Golden Book format.

These Disney Little Golden Books are a good compact book choice for traveling. The story is fairly long. I will say that when the major events of the Lion King are highlighted you realize how many animals die at the hands of family members.

For my Grandson - hope he is enjoying the reads! #xoFlea

What can I say, its a new classic

Lovely book and great collection as all the characters and drawings in the books relate to the film characters, looking to get more for my new grand-daughter for Christmas.

Daughter loves it!
