Customer Reviews

Sheet music is really expensive these days, and I needed this for a music festival. It came fast, and it's great, easy to read sheet music for a wonderful musical piece. I'll always buy the sheet music I need on if they sell it, because the music stores I used to buy them from charge triple, and in one case even quadruple for the same thing! It comes with the flute solo part and piano accompaniment. If you want this in your collection, or need it for some event or other, I recommend this.

Great, used for flute solo in competition, piano piece also included and accompaniment loved it.

I got this for my daughter and it fit her needs.

Very Pleased with this Purchase! It came the day it was expected, no damage done to the book/package. Overall fantastic service. Satisfied with everything!
