Welcome To My So-Called Life: Diary Of A Messed Up Teenager (Welcome To My Life Series) (Volume 1)

Synopsis

Life. What is it anyway? Pain and suffering until the day you die? Where is all the happiness? I thought life would be more than this. Is there anyone out there that cares about me or would love me for who i am? When is my Prince Charming going to come rescue me from this hell I'm living in? Does Prince Charming even exist? This is my story, my dairy about my teenage life. It's about how I found something, or someone, worth living for.

Customer Reviews

Born in Fairbanks, Alaska. Moved to Arkansas about age 12. Fell in love with Jesus at age 19 and still love him to this day.

Love this book! The author hasn't spared herself the rawness of her teen years when she once believed she that she wasn't worth a conversation nor worth the respect and dignity of one made in the image of God. You know that she understands your struggles because she walked in them. But more than understanding, she has come out on the other side and can tell you more than to just 'hang on, hopefully it will get better'..... she can take you by the hand and introduce you to the One who longs to hear our voice and loves to converse with us and tells us who we are -- Jesus Christ, our Maker and Love of our Souls. This author has persevered and found purpose in being placed on this planet!

I really enjoyed this book. The author is real and raw and so relatable to teenagers today. This is a

good book for someone struggling in life and in need of encouragement. It shows that God can meet anyone from any background and transform them by his love.

Loved the diary format! Great book! Can't wait for volume 2!

Excellent read! A very inspiring story!
