Antietam: Day Of Courage And Sorrow (Cobblestone The Civil War)

Synopsis

The morning of September 17, 1862, dawned peacefully in the farming community of Sharpsburg, Maryland. But this day would be like no other in American history. The quiet would soon be shattered by an all-day assault that would become the bloodiest single day of the Civil War, with more than 27,000 casualties. *Antietam: Day of Courage and Sorrow* tells the story of the cruelest battle of the War Between the States. Meet the Union soldier who foiled General Robert E. Lee's strategy by finding his secret plans wrapped around cigars. Explore how President Abraham Lincoln used the battle as a means to free those in slavery in the South. Discover why, even though the battle was considered a draw, Antietam proved to be a turning point of the Civil War.

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,612,467 in Books (See Top 100 in Books) #74 in [Books > History > Americas > United States > Civil War > Campaigns & Battlefields > Antietam](#) #255 in [Books > Children's Books > Education & Reference > History > United States > Civil War Era](#) #898 in [Books > Children's Books > Education & Reference > History > United States > Colonial & Revolutionary](#)

Age Range: 9 - 14 years

Grade Level: 3 - 9

Customer Reviews

Gr. 4-6. From Cobblestone's The Civil War series, this book discusses the battle of Antietam. Based on articles that appeared in Cobblestone, Appleseeds, and Dig magazines, the short chapters explore topics such as the one-day battle itself, the armies' artillery, Clara Barton, and the mascot dogs present at Antietam. The writing is clear and accessible, and the pages are attractively designed, with colorful sidebars introducing key figures and additional information, such as two

observers' accounts of the battle. Illustrations include many period photos as well as a small map of the battlefield. A map showing all Civil War battlefields and a time line of the war appear in each series volume. Unfortunately, the last page of the book carries a full-color ad for the series, complete with a highlighted special offer. Unlike the ads that appear in the American Girls series, this one cannot easily be removed as it is bound into the book, and, in fact, the book's index is located on the other side of the page. Other recent volumes in the series include Abraham Lincoln, Gettysburg, Nation at War, and Young Heroes of the North and South. Carolyn PhelanCopyright
