Customer Reviews

Healing words for teens from God's Word--right at your fingertipsFor counselors, pastors, youth pastors, and parents, this essential user-friendly reference has been thoroughly updated and revised to reflect the needs of teens in a rapidly changing world. Arranged topically for easy access to the Scriptures that speak to the heart of each issue teens face, this book covers a wide range of subjects. Among the more than 125 topics are abuse attitude bullies dating divorced parents Facebook and the Internet forgiving others jealousy materialism movies peer pressure rumors self-injury sexual purity sports suicide terrorism worryIn addition to the appropriate Scriptures, topics include a list of biblical narratives illustrating the topic, practical steps to take, and suggested resources. Pastors, parents, and counselors will quickly discover that this is an essential tool for helping teens blossom into strong Christian adults.Keith R. Miller is professor of Bible and theology at Calvary University and a graduate of Moody Bible Institute, Calvary Bible College, and Dallas Theological Seminary. He is the author of Quick Scripture

Reference for Counseling Men. Patricia A. Miller is a professor and program director for biblical counseling at Calvary University. So far so good, a great reference book and when compared to several different versions of the NIV Bible, no problems or misquotes as far as I have found. But a very useful book when attempting to apply scripture to real life situations and making it relevant. I use it in my church ministry and with my children as situations present themselves. The product(s) arrived on time, as described by & manufacturer, it was shipped without issue, arrived within prescribed estimates, the packaging was undamaged, and the product itself was unmolested and made with quality materials. Description, photograph, website presentation, and what arrived are the same-size, shape, color, and it matched my expectations.

This book is just amazing. I am the youth leader at our church so I started using it for my youth cell to teach them about topics that they don't teach often or at all in churches. Since I started using it, I have seen the youth more interest in the topics and lessons. I am hoping I can keep reaching to other youth with good advice based on what the Bible says. I will be buying more of this book and giving them to our youth as a tool for them to stay knowledgeable about what God says in His Word about whatever question they may have. Thank you!

I will be using these in my counseling profession. I absolutely love it!!

Seems like a good book to look over, or to brush up on specific related scripture, but some of the verses have been taken out of context and I'm only giving 2 stars for that reason.

Very practical for anyone in Student ministry.

A Great resource for working with teenagers!

These are powerful resources for those that seek to deepen their walk with God and are also committed to helping others.

I love having one of these around for a handy reference. The spiral binding makes it easier as well.
