Suicide (History Of Issues (Hardcover))

Synopsis

The issue of suicide has sparked intense controversy and debate throughout human history. This volume identifies the multiple, complex meanings of the act from Biblical times to the present. At various points in time, suicide has been viewed as a legal escape from dishonor, an example of the devil's work on earth, a product of mental illness, and a reasonable decision to be made by any adult. This anthology presents arguments both for and against the legitimacy of suicide in a balanced, informed manner.

Book Information

Series: History of Issues (Hardcover)

Hardcover: 195 pages

Publisher: Greenhaven (September 18, 2006)

Language: English

ISBN-10: 0737728736
