Customer Reviews

It was real easy to find my way using this glossy map and we liked the funny advice too. Always spot on. --Mary Mcleod, DC.

Intrepid traveler AARON FRANKEL has lived in Bangkok all his life and covers all of the grooviest cities in SE ASIA in his popular series, the Groovy Map and Guide. He has developed city guides for Bali, Bangkok, Beijing, Cambodia, Myanmar, Vietnam, Singapore, Shanghai, Tokyo and more!

Useful for getting around the city and viewing the different parts of the city. My map was a few years old, so make sure to purchase a newer one. It was also helpful to see the rail system on it which made planning rail use easier.
