# Get Started In Russian With Audio CD: A Teach Yourself Program

## Synopsis

Teach Yourself takes the pain out of picking up the Russian language. Get Started in Russian requires no prior experience in the language and gives you the opportunity to study at a reasonable, steady pace. This course makes the process nearly painless; it is written in a friendly and supportive tone, and the structure offers you plenty of opportunities for self-practice. You are in control of your learning experience, so you never feel overwhelmed or rushed. This practical course introduces the new language without inundating you and includes dialogues and exercises, a helpful pronunciation section, manageable lists of practical vocabulary, a glossary of grammar terms, and more. The audio package features 120 minutes of recordings, enhancing comprehension of the book's dialogues and exercises and improving pronunciation.

## Customer Reviews

Rachel Farmer, who currently trains in cross-cultural skills, studied Russian at the University of Birmingham and taught the language for many years in schools, colleges, prisons—anywhere she could inspire an interest in Russian language and culture.

Good book, but the C.D. Makes a lot of noise. Hard to study with the clicking. Well written book.

Purchased for my Russian classes, after the 10 week subject span was over and I moved onto the next level of Russian Language we needed a different text.

We've not yet started but my student getting ready to work with this Teach Yourself course.

Spasibo!
