Customer Reviews

I have bookmarked many of these after quickly looking through the recipes. SO many really good sounding recipes all in one book! Can't wait to try all those I marked. Recommended!

Really wish there was a print version of this. I love the recipes and just do not like cookbooks on a tablet or phone when I'm cooking!

Just downloaded the sample and immediately saw "collagen" needed for a recipe and also "Isopure protein". The recipes looked great and many are vegan but not 100%. Big Bummer.
