## Customer Reviews

This is a great cookbook on Perfect morning with pancakes. All of the things and recipes that I need to know about pancakes are already included and well-illustrated inside. Daniel Hall has done an incredible awesome job in compiling and creating this cookbook of pancakes. Also the unique part of this book is the compilations of the 25 simple recipes. They are so healthy, yummy, and well described. This book is really a great resource for me to learn more about Perfect morning with pancakes. Overall, this book is worthy of attention! I highly recommend this book to all. With that, I'd like to give this book a Very High and Amazing 5-Star.

Pancakes have been one of the most beloved breakfasts in our family for many years. Yet, when I opened this book I was surprised by the variety of recipes! We knew 1-2 of them! We have already tried almond pancakes and pumpkin ones and they are beyond delicious !!! We are in love with this book and can't wait to try all of these recipes!

My kids absolutely love pancakes and always ask me to make them some, when we stay home in weekends. I bought this book to get more recipes, as I only knew 1 good old recipe my mom once taught me. And this book didn't let me down. Great variety of recipes, simple in making and so yummy in eating them. I enjoyed the pics as well. Highly recommended for all pancake

fans out there!
