## Customer Reviews

Saved my life in Remedies class in law school!

Inefficiently written/organized.

great seller, item as described, thanks!

Purchased new on AUG. 7th. I'm 10 weeks into the semester and the book is falling apart. All under normal use.

Although the link to this text indicates in title it is the "concise" edition - when I purchased it used there was no such indication. I am now 2/3 into my semester taking Remedies and have gotten to the point where I am missing an entire chapter of case law! The one case in a section is not in the full version either. I am not technically 100 pages behind because of this failure to explicitly indicate what the difference is between the regular and concise version.

The book I ordered was the concise edition and I received the full edition. Simple mix up, but they

would not respond to my return requests and I had to buy another book without a refund. STAY AWAY.
