The Legends Of The Road: Where Physical Limits Meet Faith And Pride

Synopsis

National motorcycle racing champion Micky Dymond takes you into his world of going fast, on two wheels. Dymond was on the winning team at the grueling 3,000 mile non-stop bicycle event called Race Across America (RAAM). With barely a break, Dymond surged forward to race his motorcycle up Pike's Peak, in one of the most challenging and sometimes dangerous motorized events in the USA. "Legends" will get you inside the head of a racing champion, to become part of the experience. Come along with Micky, pedal across the country and slide through the turns on Pike's Peak. Learn how to reach for your dreams and then push past your limits, to become a champion in your own endeavors.

Customer Reviews

When Micky raced MX, he once told a reporter that he might become a poet when he retired. I can see that love of language in his words about this journey. Micky writes beautifully, with sometimes painful honesty about what it takes to compete at the masters level as a member of a four-man bicycle team (RAAM) and as a solo rider against the clock on a motorcycle (Pikes Peak). A very enjoyable read, highly recommended.

Micky articulates his adventure well, a champion once is a champion forever, great ride Micky!
