The Wedding Book: An Expert's Guide To Planning Your Perfect Day--Your Way

Synopsis

Everything you need to make the wedding of your dreams come true, no matter what your vision, taste, or budget. Written by Mindy Weiss, the #1 bestselling wedding planner • (People), The Wedding Book is the most comprehensive wedding guide published, and is now revised and updated for a new generation of brides- and grooms-to-be. The Wedding Book is your fashion consultant, etiquette expert, menu planner, floral designer, and shoulder to lean on with advice if sticky family issues turn up. It's an insider source for contract negotiation and budget-stretching tips. It explains how to get the most out of Etsy, Pinterest, Instagram, and other social apps and websites including how to use Uber for guest transportation. Whatever the subject—cakes, stationery, video (including drones!), lingerie, tents, insurance, port-a-potties, party favors, the toasts, looking great in photos, tipping, thank-you notes—The Wedding Book has the answer. Love it

everything you need to know!

This book is fantastic -- very practical and comprehensive. I got every popular wedding book out there from the library (including this one) and none of the others came close. I ended up buying it since it has such detailed advice on everything from invitation etiquette to the names of different train lengths to how to approach tipping (and a multitude in-between). Planning a wedding has a whole new lexicon of its own and this book has helped me navigate every element of it.

Everything you could possibly need to know about planning a wedding, including tradition histories!

Found this to be so helpful! Breaks down all areas of the wedding so that anyone can plan one.

This book is the holy grail of wedding planning books. Mindy adds such a personal touch to the book with all her own stories/experiences and favorites. She notes everything from traditional to nontraditional and anything in between which is so helpful when wanting to plan outside the box. I truly feel as if I have my own wedding planner without paying for one!

My (now) husband bought this book for me about a year before our wedding day... man it was a life saver! This is a must have for all couples planning for their big day!!!

A great wedding encyclopedia. A necessary bible for all brides!
