Synopsis

The hiking and riding trails of the highlands of western North Carolina, northeast Tennessee, and southwest Virginia are explored in this revised and expanded guide. A nationally acclaimed photographer, the author charts the routes he has traveled in his quest for scenic beauty. His love of the highlands and his knowledge of the terrain of the region combine to produce a guidebook that is a welcome companion for both novice and veteran hikers. The trails listed offer a variety of terrain, length, and difficulty. All have been recently rehiked for inclusion in this edition. Detailed instructions for locating more than ninety trails are provided along with improved maps, a ratings index, many of the author's wonderful photographs, and firsthand observations.

Customer Reviews

This guide gives instructions on how to find hiking trails in NorthEast TN. Most of the trails are not well marked and unless you or someone else with you knows how to find the start, you won't find them. Handy book to tell you.
