Customer Reviews

Early readers will love reading Noah and the Ark, part of the I Can Read series. They will creep, crawl, hop, and gallop along with all the animals as they board the ark Noah built. The simple text and easy-to-understand storyline draws early readers toward exploring God's Word on their own in this My First book. They can read first-hand how God's love and Noah's obedience saved the world.

My friend was looking for a book about Noah for her twin granddaughters. We couldn't find it locally

so I was so glad to find it online. The illustrations are cute, funny and with beautiful colors. I'm sure we'll be looking for more books like this about other Biblical characters and will be on the lookout for more in this beautiful series.

Whether your young one is just beginning to read, learning letters, or can read already read to younger siblings, Noah and the Ark is a sweet read! While reading these "I Can Read" Books to my 4 year old, my 8 year old listens in, even offering to read the books to his brother. I highly recommend these Beginner Bible books to anyone wanting to read a light yet accurate versions of Bible stories to their children.

Simple Bible story for beginner readers to read. The color illustrations are attractive to the child.
