An Unexplainable Life: Recovering The Wonder And Devotion Of The Early Church (Acts 1-12)

Synopsis

What can God do with fifty days? In only fifty days Peter was radically transformed. He went from being a man in the shadows denying even knowing Jesus, to a man boldly proclaiming the resurrection of Jesus in the middle of the temple courts. How did the change occur? And more importantly, can such a change occur within us?—today, in the here and now? For fifty days, I invite you to dwell in the first twelve chapters of Acts. Here we meet Peter face-to-face and encounter the source of his power. We become challenged to grab hold of that power ourselves, believing that God wants to do something in and through us that is unexplainable apart from Him. Let's give God fifty days and see what He might do. The purpose of this study isn't simply to reiterate a message. (You can find many studies on Acts.) Our purpose is to reignite a movement of the power of the Holy Spirit in each of us individually and in our churches collectively. Are you ready?— Erica Wiggernhorn

Can you explain your life apart from God? Most of us live a shadow of the life we're called to. Perhaps more than any other book in the Bible, Acts shows us what life can be when lived in the power of God. *An Unexplainable Life* is an in-depth study meant to reignite a movement of the Holy Spirit in us individually and in our churches collectively.

I love bible study books. I love a bible study book that goes in depth, and is encouraging. That's exactly what author, Erica Wiggernhorn does in her book, *An Unexplainable Life*. The study is packed with study material, theological, biblical, and historical facts! This study is a 10-week study of the first twelve chapters of Acts. Each week is divided into five day lessons. Each day you have a passage to read aloud, reflection questions, and lesson material. There is a space with each question to write down what the Holy Spirit is teaching you. The study is so beautifully written. You can tell the author has such a passion for God, His Word, and His people! This study will challenge you in the best of ways, and you will be changed!! I highly recommend this study to individuals, small groups, and churches! You do not want to miss this book! Go purchase your copy on [here](#)!! I received a complimentary copy of this book in exchange for my honest review. I was not required to write a positive review. All opinions expressed here are true and my own.

This in depth, line by line, bible study of Acts is amazing. I love studies that not only help you to slow down and savor each part of Scripture, but ones that help to explain the cultural and Jewish/Hebrew roots that really make the Bible so much more clear. Erica does this and more in her Acts bible study. Right when I heard this was going to be available I had to have it. I have studied Ezekiel and the life of Moses with her books and they were truly the most incredible bible studies I'd ever come across, so I knew Acts would be amazing and it is. And not only are you learning about God and His will more deeply, the book of Acts is especially applicable and Erica reignites the fire in her study! The unexplainable life is at the core what the Christ-Following life is all about and God truly speaks through Erica and the study she wrote. So thankful she researched all she did and for all the work she put into writing this and for heeding God's call to write.

This is a wonderful study of the first 12 chapters of Acts! Erica does an excellent job of balancing the study of God's Word with the application of God's truth to everyday life. During this study I experienced many "aha's", countless times of feeling challenged, and multiple moments when I needed to linger longer in the marvel of God's Word. This study allowed me to dig deep and provided the platform to experience the richness of God and His Spirit more intimately.

Great study on the transformation of Peter during the early church ! I'm still feeding and digesting the contents. Every believer should wrap their soul around this study. There's a little bit of Peter in each of us. I want more of the Christ like Peter.

This is one of the absolute best womens studies that I have done in a long time. The book of Acts is full of hidden surprises and the author of this study is excellent at helping you discover them.

A very in depth bible study of Acts. Great thought provoking time in God's word. You will not be disappointed.
