Martha Zschock lives with her family on Cape Cod. A former elementary school teacher, she was inspired by field trips with her students to write her first book, *Journey Around Cape Cod from A to Z*. Martha's journey has continued with more books in the series from other places including, Boston, San Francisco, Washington, D.C., Philadelphia, Chicago, Maine, Nantucket, and New York.

Â Martha and her family enjoy the journey of creating the series, which includes lots of traveling, writing, painting, and meeting lots of wonderful children and adults along the way. Â Martha often collaborates on projects with her twin sister, Heather, an art director and freelance designer.

Â When her twin sister had a baby, Martha began writing and painting for a new "Hello!" series of board books which take the youngest explorers on journeys to several locations such as Florida, Brooklyn, Washington DC, Boston, Yellowstone, and America.

I got this book through my library. It's more than just a reading log. The book also contains tips on playing, reading, talking, singing, and writing with your child as well as encouraging quotes along the way.
