Don't Get Lost, Odysseus! (Mini Myths)

Synopsis

When Odysseus goes shopping with his mom, she tells him to stay close, and he doesâ”until he is tempted by The Odysseyâ”inspired play area in the mall and wanders off. He has fun at first, but when he canâ”t find Mom, he gets scared. Not to worry: Mom was always close behind, and, reunited, they make their way home together. Conceived and crafted by Greek-mythology expert Joan Holub and illustrated by the bestselling Leslie Patricelli, this book also includes a summary of the original journey of Odysseus.

You really need to know your Greek Mythology for this book. The story is really short and has a few photos of a kid in a play place at the mall. I guess i am not create enough to teach my daughter

mythology using these books.

Love this entire series of board books for babies and toddler, based on Greek myths. Bought the series as a baby shower gift, and it was very well received by everyone.

Requested baby shower gift. Super cute. A little bigger than you might expect but not much. Nice thick pages. Cute stories.
