Customer Reviews

This is a great little pocket guide and since I lost my phone with translation and dictionary apps I did use it. It does a good job with basics but if you want to learn much vocabulary you also need a real dictionary or app.

Accurate and well organized. Nice deal.

Great size for travel!

Easy

I used this book a few times while traveling. It doesn't have everything you need but its a good start if you want something thats pocket-sized

Seems well organized, should help with recalling Spanish 1 and 2 from Junior High :).
