Customer Reviews

Some books have great titles or amazing covers and promise great things, but there's not much substance within. This book lives up to it's title and then some: Keys to Igniting Your Personal Time With God. After reading his book "Power of the Blood" I immediately ordered three more of Bob Sorge's books. With many books on prayer on my bookshelf - with the likes of Andrew Murray, E.M. Bounds, and Tozer - I have to say this one is at the top of my list. This author speaks my language! It's full of precious insights and revelations and I'm reading it slowly so I can enjoy every delicious bit. I highly recommend it to anyone who loves to pray - or anyone who wants to draw nearer to the Lord. This is a gem!

This book may be the best book I have ever read in my entire life outside of God's word. (It is packed with God's word, by the way!) It draws you in from the moment you begin to read it and captivates you to the last line. Bob is such a prime example of so many Godly attributes. He is HUMBLE, experienced in what he talks about, he is a teacher, you can tell he is a committed husband, dad and grandpa, he is funny and serious all in the same moment and leaves you satisfied and longing in the same moment too! If you long for more time with Jesus, this is the manual of helps for you! I have ordered nearly 50 of these for family and friends. Just finished the 12 week small group with the study guide and leaders manual. Words can not express how thankful I am for men like Bob in the body of Christ. Thank you for all you have gone through to bring us this!

This is a book all believers will be blessed by. It's totally about having your individual precious time with the Lord. Having a real personal time with Him. It also is a good book for a Mentor to do with someone as the chapters are short. As you personally read it, you'll put it down and talk with the Lord as it will speak to you as an individual. Great gift too.

Secrets of the Secret place is such an amazing book. We recently held a women's retreat at our church "Entering into the Secret Place". Some girls read the book in English others in Spanish. It was a true blessing. I was disappointed not to find the workbook to the book in Spanish, only in English.. I have a workbook that I bought years ago and I was able to share it, but it would of been nice to have the workbook.. The book is awesome very inspiring, it makes you view your walk with Christ at a different level. God bless the author greatly, may God continue using this book as a blessing to many. Liked it so much I ordered a copy for my mother-in-law! This book clearly shares helpful ideas. A must read!

I first got this book as a Christmas gift from my high school youth group mentor. Every night I would read one of the short chapters from the book (they are only about 3 pages on average!) and then read a passage in my Bible. The book showed me how crucial it is to spend time with God, and it motivated me and gave me good techniques to make sure that I was communicating with Him daily. I recently bought many copies of this book for my discipleship team (small group), and many of my brothers and sisters are being inspired to communicate with God. The Bible is the most direct way

God will ever speak to you, because every word in it is God-breathed. The vast majority of Christians do not read the Bible on a daily basis. So where are we getting out truth from? If you are having a hard time getting in the Word on a consistent basis, this book will be great for you. It's well worth the very small amount of time and money you will spend on it.

If you seek a closer, more intimate relationship with Jesus, this is the book that will guide you through your journey. Inspirational, informative and inspired, the book will always be your companion. Written by a man who has lived what he has learned about his relationship with the Lord, he generously shares that knowledge in a format that allows the reader to select categories that apply to you at any moment, or to read the book cover to cover so as not to miss a nugget of information.

This book has reinvigorated my commitment to walking with God, enjoying his presence and learning at his feet. Sorge's passion is contagious! I highly recommend this book to anyone who struggles with "quiet times" with the Lord. It is a beautiful blend of motivation and practicality. This is the second book I have read by Sorge (the first being "Dealing With the Rejection and Praise of Man". I eagerly look forward to reading more of his material.
