## Customer Reviews

Pioneers in dictionary publishing since 1819

This is three books in one. I wish I had had it years ago. Excellent articles on grammar, very useful verb tables showing all the tenses, and lots of vocabulary categorized by topics such as "greetings and everyday phrases," "air travel," "food and drink," "art and literature," "music," and many other topics. One of the best texts on the French language for those who wish to learn French that I have had.

I used collins easy learning when I majored in Spanish four years ago, so I bought this one to teach myself French and it's also great! Everything well explained and clearly structured.
