Curious George Goes Bowling (CGTV Lift-the-Flap 8x8)

Synopsis

Curious George loves bowling, even though he can only roll gutter balls. When the man with the yellow hat is going to play in the bowling championship, George wants to make sure the man's lucky ball is clean and ready to strike! Lift the flaps to extend the scenes and see how George's gutter ball talent helps save the day!

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her father's home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the Reys' home and community. Throughout their lives the Reys created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940.

Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious

George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit www.curiousgeorge.com.

My 2-year-old son has recently become obsessed with bowling and there are very few children's books about bowling. This book has been great! He loves bowling and loves Curious George. We read it every night at bedtime and recite it several times throughout the day. The lift the flap design was a welcome surprised to make the book a little more interactive. Since it is a paperback book, I doubt it will last in years to come. However, I expect the book will last through this phase. Couldn't be happier!

If you've watch the episode of George goes bowling on PBS, it's pretty much line for line. It's entertaining with the flaps and my toddler gets excited to be the one to flip them to reveal what's next. Good book, but since each page is multiple sentences, a toddler may get anxious to turn the page before you're done.

Everyone loves Curious George and so do children.

The children enjoyed reading it

The story itself is good, but do not get the kindle version! The quality is bad, almost looked like they just scanned the page. Quite disappointed.

It's a good paper back book. We're happy with it

abbi loved it my 2 year old granddaughter.

got this with a little kid bowling set as a Christmas gift.
