Fodor's Rome: With The Best City Walks & Scenic Day Trips (Full-color Travel Guide)

Synopsis

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. Packed with landmark sights, world-renowned museums, awe-inspiring churches, fabulous trattorias, and, of course, the Vatican, Rome is a city that's worth returning to over and over again. And with so much to see and do in the Eternal City, Fodor's Rome is the guide to help travelers make the most of every trip. This travel guide includes:

- Dozens of full-color maps plus a handy pullout map with essential information
- Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks
- Multiple itineraries to explore the top attractions and what's off the beaten path
- In-depth breakout features on The Sistine Ceiling, Bernini and Borromini, and history of Rome
- Major sights such as The Spanish Steps, Trevi Fountain, Trastevere, and Galleria Borghese
- Side Trips from Rome with Ostia Antica, Tivoli, and The Castelli Romani
- Coverage of Ancient Rome; The Vatican; Piazza Navona, Campo de' Fiori, and the Jewish Ghetto; Piazza di Spagna; Repubblica and Quirinale; Villa Borghese, Piazza del Popolo, and Flaminio; Trastevere; Aventino and Testaccio; Monti, Esquilino, Celio, and the Via Appia Antica

Customer Reviews

"Fodor's is pitched a few notches higher. Aimed at a fairly discerning traveler with an appetite for background and the occasional surprise." - New York Times

The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions.

â “ Chicago Tribune â œIn terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market.â • â “ Booklist â œFodorâ ™s super-informative guidebooks are known for accuracy and attention to detail.â • â “ Sacramento Bee â œFodorâ ™s can help you plan the perfect adventure.â • â “ Arizona Republic” --This text refers to an alternate Paperback edition.

For over 80 years, Fodor's Travel has been a trusted resource offering expert travel advice for every stage of a traveler's trip. We hire local writers who know their destinations better than anyone else, allowing us to provide the best travel recommendations for all tastes and budget in over 7,500 worldwide destinations. Our books make it possible for every trip to be a trip of a lifetime. --This text refers to an alternate Paperback edition.

This guide was practically worthless on our February 2015 guide to Rome. In the past, I have bought multiple Fodor guidebooks, but the company has lost a customer with this one. It is practically impossible to find ANYTHING in the guidebook without a fully indexed street map of Rome's streets. The maps within it are poorly drawn and labeled, and the flowery prose disguises a deeply flawed organization and very, very poor presentation of multiple things one relies on a guidebook for. I became so disgusted at the book's failure to present information in a way that allowed it to be found quickly that I literally ripped my guidebook up at Piazza Barberini and tossed it in the trash. I think the problem is that this has been updated again and again instead of being rewritten and reorganized, and the chaotic lack of overview has made it practically unusable. Again, Fodor's has lost a regular customer with this poor guidebook.

Having been to Rome previously, this guide has good coverage of each of the highlights I remember and being updated is the plus to having it. I find the information will help us plan our revisit to many of the main sights as well as exploring other areas. The walks, one of the main focus in my opinion, are adequate but I miss the street by street directions between a walk's sights which were given in more detail in the Golden editions of the past by Fodor's.

I got it for "the best city walks" which were only about 10 pages and weren't a clear walk. If you want good walking tours, Rick Steves' books are far superior. The good part was that there were an abundance of restaurant recommendations/reviews that were separated by area of town. I would get this book only for restaurant recommendations but other than that, a truly disappointing travel

guide.

Great guide for overview and a few local secrets. Best info on antiquity and Renaissance tourist attractions, a little less so for younger travelers who want nightlife too.

This was a nice all around guide to Rome. I did not find any one guide book I thought covered Rome well enough so used this together with Rick Steve's Rome guide and had all the information I needed to make our trip to Rome a good one. I liked this guide for its detailed description of the individual sites, the history of the city, and the nice photos used in the book. Also provided some nice guidelines for touring the city including guided walks.

Great reference guide to Rome - FAST DELIVERY

Great insight and information.

Good tips full of details. It was our guide in Rome
