Customer Reviews

Really helpful in organizing all my bottles that I have collected.Great addition to my Coke Books.Coca-Cola is GOOD,drink and enjoy.

I wanted a bottle book with later years. But this one was great if you have the older bottles that are collectible.

great

Has a limited number of bottles - there is not as many commemorative bottles as I was expecting. I could not use it for my collection.

Quality paperback book helps you identify and value over 800 bottles which are beautifully pictured in full life-like color. Covers 8 oz and 10 oz bottles. A brief description of the bottle accompanies each entry. Well indexed for easy locating. A useful reference book.

I like it not only for the price that the bottles are worth, but also to see how many different bottles are out there. Great book!

This book is great to have if you are a collector of Coca-Cola bottles. Being able to see what the bottles look like is nice.
