The Psalms: Poetry On Fire: The Passion Translation

Synopsis

Psalms 5:3 says: At each and every sunrise you will hear my voice as I prepare my sacrifice of prayer to you. Every morning I lay out the pieces of my life on the altar and wait for your fire to fall upon my heart. Every emotion of our hearts is reflected in the Psalms with words that express our deepest and strongest feelings. Sighing is turned to singing and trouble into triumph. The Psalms provide comfort and joy, leading us to the place where worship flows. When discouraged or downcast, we can take new strength from reading them. They charge our batteries and fill our sails. Their thunder stirs us, and sweet melodies move us into the sacred emotions of a heart on fire. Dark rain clouds of grief turn to bright rainbows of hope as we meditate on David's soul subduing songs. The Psalms are clearly poetic. They are praises placed inside poetry that spill out of a fiery passionate heart. The Psalms free us to become emotional, passionate, sincere worshippers. These 150 poetic masterpieces give us an expression of faith and worship. They become a mirror to the heart of God's people in our quest to experience His presence.

The new wording is helpful.

Bought the whole set of passion translation
Brings fresh dimensions to God word without changing
God's intentional meaning
It's really great!

You will love this. This version of Psalms makes them come alive in a whole new way.

I am IN LOVE with version!! It is so beautiful and passionate and has made me fall more in love with Jesus! I seriously find myself picking it up and reading it like a novel. I can't get enough. This translation has ignited my love for God's Word all over again. I can't WAIT for all the books to be translated. Everyone should buy the Psalms in this translation. It's life changing!!!!

I am looking forward to buy more! This is written with understanding & a compassion that The Message was missing. (my opinion) I not only like it tremendously but have to watch where my husband goes as he tends to take it with him as well. Awesome problem to have!!!Wholeheartedly recommend this book as you can say "book" yet your spirit is still being fed God's truths! I do recommend in the "book format" as it is easier to share or make sure to buy a fellow e-reader one as well. (my husband is a newspaper in hands kind of guy so...)Blessing & our thanks for this awesome way to read the Word, taking "religion" out of things helps me immensely!

Life inspiring, love it.

Brian Simmons brought a fresh look on the book of Psalms that has definitely been worth reading. It has inspired me to foster a deeper relationship with God. I can't wait to purchase the whole Bible when he is done with the translation!

I love this translation of the Psalms! God's love is expressed in a relevant and personal way through these words. I'm so grateful for this new translation - and all of my friends who've received this as a gift from me love this too!
