Great Destination if truly updated

an absolutely stunning book... Even if you have no travel plans in the foreseeable future, it's a beautiful book, both for its photography and writing.

I've been waiting for the perfect wedding gift to come along, something thoughtful to give newlyweds, and voila! Here it is. This book totally exceeded my expectations -- it's wonderfully written, totally evocative, and honestly, it makes me want to jump on a plane with my husband and visit every one of the places in the book RIGHT NOW! I picked it up as a gift, but having flipped through it, I'm buying one for myself, too! I'll put it on the coffee table, as a subtle hint to my husband...

Great arm-chair traveling. I've even been to a couple of those places. Love the writing style and gorgeous pictures.

The pictures and the narratives make you want to pack your bags right away and go there. I loved it, Marta K. Olchyk
