Only thing I'd update would be to provide an active table of contents to make searching for your favorite that much easier. Otherwise, I've no problems recommending this book!

This book has some beautiful word that would help us all if we would use them everyday. Thank you and enjoy your day.

I bought and read this short little book just in time for this Thanksgiving, and ended up posting a few bits on Facebook for friends and family members. If you need some words to accompany your holiday and by which to express your feelings, this may be the perfect little companion. And the price is entirely reasonable.

This is a really nice collections of devotions for Thanksgiving. I will be using this with my family this year.
