Making Mosaics: 15 Stylish Projects From Start To Finish (Step-by-Step Crafts)

Synopsis

A complete mosaic course in one book! Making Mosaics offers both the "basics" of the craft, as well as 15 attractive projects to create. The "Getting Started" section clearly outlines the materials and tools used in the projects, including vitreous glass and unglazed ceramic tiles, as well as how-to techniques for nipping tiles, prepping surfaces, laying tile and grouting. The 15 projects were designed to offer variety in style, materials, and skill level. Projects include: plaques, planters, tea trays, trivets, trinket boxes and more. Simple step-by-step instructions and large how-to photos ensure a crafter's success. Within each project, important details are shown with close-up photos for added clarity. Artist's tips provide professional guidance and alternative design ideas for most projects. Highlights: Mosaic is an art form that can be enjoyed by the beginner as well as the serious professional. Projects appeal to all levels of ability, including easy starter pieces for those just learning the craft. Contains large step-by-step photos with added close-up shots of detailed techniques. Contains inspirational photos with alternative designs. Includes pattern templates for most projects. Includes a source list for products & supplies.

Customer Reviews

Martin Cheek is an accomplished mosaic artist, author, and instructor.

This book is OK and I learned a few things but I didn't think it was up to Martin Cheek's standard.

Was easy to understand. it was a good choice for my craft library. Since mosaics is a new craft for me I try to pick interesting as well as beautiful things to mosaics. i would recommend it to anyone interested in starting a new craft project.

Love it

Wow! What a wonderful book. Full of wonderful, inspirational and easy-to-follow ideas!

Step by step he leads you! Great book!

I wish there were more ideas in this book. Although there are several ideas there should of been examples of some of the art forms.

Nice book!

Interesting ideas in this book.
