# ECKANKAR--Ancient Wisdom For Today

## Synopsis

"Eckankar is a religion for the individual--what many of us hoped religion would be. Its purpose is to help individuals find their own way back to God through direct personal experiences."

ECKANKAR--Ancient Wisdom for Today offers a compelling introduction to the ancient teachings of Eckankar. This book explores spiritual experiences to connect with people of all backgrounds. It contains surprising gems for those who consider themselves to be spiritual but not religious. If you yearn for spiritual freedom and truth, this book presents easy-to-apply steps toward your goals. It shares vivid examples from Harold Klemp, the spiritual leader of Eckankar, showing how to live a truly spiritual life in a material world. The book presents a range of concepts popular in modern culture--karma, reincarnation, seeing an inner light, prophecy, near-death and out-of-body experiences. Eckankar shows how these spiritual experiences are relevant to everyday life. Past lives, dreams, and Soul Travel are more than intriguing ancient mysteries. They are the natural activity of Soul. Soul is the True Self, the inner, most sacred part of each person. With a prove-it-to-yourself message to seekers, this book shows how Eckankar is a living religion. Real learning comes from your own experiences. ECKANKAR--Ancient Wisdom for Today is refreshing, bold, and a timeless guide for today's spiritual adventurers!

## Customer Reviews

Did you ever wonder (as I did), Is there something more to human life than what I've learned so far in school, religion, politics, the social consciousness, and mass media? Did you ever have a profound but puzzling spiritual, out-of-body, or near-death experience that showed you there are other, higher dimensions of existence, truth, and divine love? This 134-page, 4-by-6-inch paperback (7th printing with glossary and index) is a compact overview of karma, reincarnation, prophecy; past lives, dream, and Soul Travel study; expansion of consciousness, spiritual masters (particularly the ECK Masters), and a short history of ECKANKAR. This booklet gives answers to the big questions and spiritual purposes behind the scenes of our normal lives here on planet earth. Best of all, it introduces some simple, short Spiritual Exercises of ECK which anyone can do to know yourself as Soul, an infinite, spiritual being, access directly your own Inner Guidance, and connect with the Light and Sound of God, for a richer, happier life. Great book.

There is a great deal of wisdom contained in this small book from Eckankar. This is one of those books that you read and know you have found something that contains truth. The book speaks to your heart.

Awesome book especially for those new to ECK (Holy Spirit). Quite handy and a gift to share..

The wisdom in this book really resonates with me. It's spiritually that makes sense. The earth is a school and we're here to find our way back to God. I'm so glad I bought this book!

...this is a great introduction to a spiritual path that is deep, practical, and time honored. Sing the word "HU" (pronounced "hue") for 20 minutes and see the difference for yourself.
