The End Times In Chronological Order: A Complete Overview To Understanding Bible Prophecy

Synopsis

Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy, and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before.

Customer Reviews

Greetings. Dr. Ron Rhodes here. I'm very excited about the release of my brand new book, *The End Times in Chronological Order*. I think it's the most important (and, dare I say, exciting) prophecy book I've ever written. In this book, I show you how to recognize important "textual clues" within Scripture that point us to a concise end-times chronology. After reading the book, you will no longer be confused about the order of end-time events. You will understand prophecy with confidence and assurance. And I think your faith in God will grow as a result. I encourage you to go to my "Author's Page" here at .com and watch the short video on the book. It'll fill you in on what the book is all about. Just click on the link to "Visit 's Ron Rhodes Page" (Under "More About the Author"), and the video will be posted on the right side of the screen. May God bless you! Dr. Ron Rhodes

P.S. The layout and print quality of this book are outstanding. I think you'll like it.

Ron Rhodes (ThD), president of Reasoning from the Scriptures Ministries, is heard regularly on nationwide radio and is the author of The End Times in Chronological Order, The 8 Great Debates of Bible Prophecy, and 40 Days Through Revelation. He periodically teaches at Dallas Theological Seminary and several other seminaries.

I would recommend this book to any Christian that would like to know what's coming it can give you hope also any non-Christian should read it hopefully they will be aware of that point that they need God so they don't suffer forever

Straightforward read. Biblical references provided for each prophetic event. Alternative interpretations and timelines are addressed and refuted on the basis of scripture. Good summary of biblical prophecy with sound basis for interpretation.

I chose to rate it highly because it is a very readable book on a difficult subject. I recommend it to all readers.
