## Synopsis

Louie Banks has it made. He's got a starting spot on the football team, good friends, and a smart, beautiful girlfriend who loves him as much as he loves her. ## Customer Reviews

This one took a turn for the shocking - I was completely surprised by the story line and where it went

- This was one of those books where I actually got a bit teary - so good

Fantastic read about a kid and his situation with the ups and downs of his senior year. I thought the wit of the main character and the emotion felt through the author's words made for a great read.

Just finished the book this Friday after it was shipped Sunday evening. I must say it was an inspiring,

realistic story. Louie Banks was a definite character; however, he did say some pretty ignorant things in the book when he was angry. Luckily, wise men in his life kept him aware and informed him to not blame God for everything that is thrown at him. In conclusion, it was a good book. Wasn't bored reading it! :)

The other is a master piece. Everything fell but he was strong even when he thought it was all over. Great book

This is clearly written for the younger crowd. Good moral lessons, but you just didn't get to know the characters well. If he's trying to relate to modern day teenagers, he missed the boat!

Eh eh eh eh smh weak bad low quality child care of books and the rest of my life is ruined

I bought this for my son to read for school. They needed a book to have to read when they got all their other work done, and he enjoys books about sports so I thought he would like this one. He said he did enjoy it.

great for young adults
