Customer Reviews

Two grandkids adored this, we all wore the tatoos and played with the activities, which kept them and us busy.

Disney Moana Adventurer Activities by Parragon Books is a super duper fun activity book for kids! My family often takes long drives just to get out of the house on the weekends and one of my kids favorite things to do during our drives is fun little activity books. I love that it keeps them entertained until we get to where we're headed and it keeps sibling fighting to a minimum. My daughter loved this book on our most recent trip. When we arrived at our destination she pulled it out and began showing us all the fun things she completed on our drive. Disney Moana Adventurer Activities by Parragon Books is an awesome way to keep kids entertained and would make a terrific gift!

Disclosure: I received product(s) for free, in exchange for my honest review. I only recommend products I've used personally, and believe will be good fit for consumers.

This is a paperback activity book the size of a coloring book that is jam packed with activities to get

kids thinking and still having fun. You also get 10 tribal tattoos to use! The activities include puzzles, coloring and various games. You also get a Free Disney Digital Storybook to use on Disney Story Central App. This is great to build a library on the app.
