The Green Ring Conspiracy (Adventures In Odyssey)

Synopsis

Centered in the town of Odyssey, the story starts when a backpack filled with money is found in Gower's Field. Then a plane crashes outside town and a mysterious survivor is discovered who may be an undercover agent or part of a counterfeit ring or something else altogether! Enter an underworld errand-boy who has a cell-phone full of secrets. And that's just the beginning of The Green Ring Conspiracy, a special adventure that puts our favorite Odyssey characters at the center of intrigue, suspense, and a scheme of international proportions. New friends may not be who they seem. Old friends have secrets they must keep. Deception and double-crosses are the order of the day. Trust, loyalty, and faith are all put to the test. The Green Ring Conspiracy is unlike any collection of stories found in Odyssey, yet still brings together the drama, fun, humor, and life-lessons audiences have come to expect from the show over the years.

Customer Reviews

WHAT IS ADVENTURES IN ODYSSEY? It's exciting, character-building audio entertainment for the whole family brought to life by an award-winning team that uses storytelling to teach lasting truths. So grab your imagination and find out why over 20 million Adventures in Odyssey products have been distributed worldwide! VOLUME 53: THE GREEN RING CONSPIRACY It all begins when a small plane crashes under strange circumstances outside town.

The mystery deepens when a backpack filled with money is found in the woods near Gower's Field, outside of Odyssey. What does all of this have to do with the Green Ring Conspiracy? Whit, Eugene, and Connie have to put together the clues before it's too late to stop a worldwide conspiracy!

The whole family enjoyed listening to this CD. We actually had to sit in the car when we arrived home from our trip because the kids (ages 4 and 8) didn't want to turn off the car without knowing how it ended.

I am a huge Odyssey fan and own every album, so of course I was excited about Album 53. I loved how they had an ongoing story line since album 51 and 52 seemed disjointed. I listened to it all in one afternoon. I am really pleased with the character development and story line. It is not quite as good as Darkness Before Dawn, or Novacom, but it is still good. I finally feel like Odyssey is back to normal! There are even some old characters who come back for as a surprise. :-D

Bought this for the family to listen to on a long trip. It was great and we all got in to it. It made the trip go so much faster and reduced any issues of motion sickness as the kids could keep their eyes on the road. Note: Some of the Adventures in Odyssey has a lot of shorter stories, but this one is one long story so will keep the suspense for 5 hours. If you prefer shorter stories, choose one of the other dvds. Good moral lessons and lots of great humour! Will buy some more for the next long trip!

This was a very dull, predictable story compared to some of Odyssey's better offerings. Take a pass on this one and order the Novacom Saga instead!

My kids love this particular album and has already listened to it three times. It teaches valuable lessons on the consequences of lying, cheating, and other dishonorable behavior. I think it story was excellent and mixed well. It's an excellent story with great lessons

Great cd. keeps kids interested while teaching biblical life principles.

This was at the top of my 7 year old's Christmas list, and she was ecstatic to receive it. The funny thing is our 10 & 15 year old are always borrowing it, because they love it too! Great, clean entertainment.

These Adventure in Odyssey CD's have replaced TV for my kid during the week and they haven't complained. I set out this year to make sure the TV consumption in our house decreased. I introduced my kids to Adventures in Odyssey about that same time and it was love at first listen. I feel so good about having replaced TV shows that don't always reflect our values with a radio show that enforces Godly character and engages their imaginations. Thank you Focus on the Family!!!
