Sinclair B. Ferguson (PhD, University of Aberdeen) is a professor of systematic theology at Westminster Theological Seminary.

There's no one like Sinclair Ferguson to explain the Bible and our Ladies' Bible Study is being blessed by this.

Sinclair Ferguson is one of my favorite theologians. You will find this a great resource for getting further insight into the "Sermon on the Mount".

The book was amazing as it brought all things of confusion on these daily striving to reality. Live it and in Grace trust Him to fulfill His promises in your life.

I appreciated the insights of the author in looking at a very familiar but ageless sermon.

Parts of this book are insightful and others seem a bit polemical We used this for a church community group discussion and most people had the same reaction.

Excellent!!!
