Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I wish it had been mentioned that there was no CD, as the book was listed alongside others which did have the accompaniment CD. I was disappointed when I realized I had received only the book. The book itself is in decent condition. The cover is a little faded and the edges are kind of rough with the occasional tear, but nothing that interferes with the script. Overall, I'm pleased about everything except the lack of notice before buying, about the missing CD. It should not have been listed alongside others which did offer the CD, and ideally ought to have mentioned its absence.

Delivered in wonderful condition. It's exactly what I was looking for!!

I thought that there would be a CD with it, but I guess I didn't order the right one, but for what I did receive it is fantastic and I have been using it all semester!

this book is used all the time for voice lessons. great selection of classical pieces. also available is a cd which is a bit plus

I needed this book for a class at school and it came in just in time! It had some markings but all were true to the music!

This book was recommended by my daughter's voice coach, so it was already known that it would meet expectations. It shipped speedily, no problems with the order.

This was in EXCELLENT shape, and we saved quite a bit of money with this purchase, thank you!

The item was shipped directly and arrived quicker than I thought it would! Book looks great, and I'm excited to start using it!
